International Study Tour

Consistent with the practice of world's top B-Schools the Aurora's Business School has been organizing International Study Tour (IST) for its PGDM students. Last year they were taken on a tour to Singapore and Malaysia.

This year's International Study Tour is slated for the 2nd half of February, 2018, covering Dubai and Abu Dhabi, two of the rich emirates in central Asia well known for international business. The IST's primary objectives is to familiarize students with the international business environment and to boost their credibility through exposure to diverse cultures, industries, advanced management practices in their respective specializations like Finance, Marketing, Human Resources, IT, Analytics, Operations, Supply Chain Management, etc. and entrepreneurial success stories. The tour enhances their ability to grasp and grapple with the fast changing and increasingly competitive global business environment of today.
